EXTENSION COVER MOUNTING INSTRUCTIONS

1. Remove the MOUNTING SCREWS and J-CLIPS from the bag assembly. (Sets of 4 each for 6” - 24” high EXTENSION COVERS; sets of 6 each for 30” - 48” high EXTENSION COVERS.)
2. Clip the J-CLIPS into place at the holes located in the lower box flanges, as shown.
3. Place the EXTENSION COVER into position with the EXTENSION COVER holes lined up over the BOX holes.
4. Use the MOUNTING SCREWS to secure the EXTENSION COVER to the BOX.
