Installation Instructions for Provision Plate

KIT INCLUDES: **Qty. (1) Provision Plate (p/n: 11-D-3340-01)** **Qty. (1) Provision Label (p/n: 11-B-1049-01)**
Qty. (1) Provision Barrier (p/n: 11-D-4614-01) **Qty. (4) #8-32 Screw (p/n: 11-1512-03)**

1. **Lock off ALL power supplying this equipment before working on it.**
2. Locate the Deadfront Filler and Filler Plate that this Provision Plate will assemble to.
3. Remove and set aside any screws that mount that Deadfront Filler to the deadfront. (Those screws will be used later.)
4. Locate the loose end of the B-phase strap of the provision behind the Deadfront Filler that was just removed.
5. Remove the single screw on the B-phase strap, place the Provision Barrier onto the B-phase strap, and then fasten with that same screw.
6. Position the Provision Plate into the opening in the Filler Plate such that the longer tabs are on the ON side end of the Filler Plate.
7. Slide the Provision Plate towards the ON side until it stops, for the tabs to fully engage the Filler Plate.
8. Turn this assembly over to access the rear.
9. Fasten the screws into the Provision Plate holes to secure the Provision Plate to the Filler Plate.
   NOTE: Four screws are provided, for two options:
   1. Use all four, one for each hole
   2. Use two of the four at opposite corners (as shown)
10. Carefully place the Deadfront Filler back onto the deadfront and secure it with the screws removed in Step 3.
11. **Before energizing the panel, ensure that any barriers and fillers are in place and secure, that the deadfront is installed, that the trim is in place, and the door is closed and locked.**

Contact Siemens Sales Office if considering usage in applications other than as shown.

These instructions do not purport to cover all details or variations in equipment, or to provide for every possible contingency to be met in connection with installation, operation or maintenance. Should further information be desired or should particular problems arise, which are not covered sufficiently for the purchaser's purposes, the matter should be referred to the local Siemens sales office. The contents of this Instruction manual shall not become part of or modify any prior or existing agreement, commitment or relationship. The sales contract contains the entire obligation of Siemens. The warranty contained in the contract between the parties is the sole warranty of Siemens. Any statements contained herein do not create new warranties or modify the existing warranty.
